1. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR QUOTATION

The Community Action Partnership of San Bernardino County here after referred to as (CAPSBC) is soliciting quotations for weatherization materials and services.

B. BACKGROUND

1. OVERVIEW

CAPSBC is a 501 (C) 3 Nonprofit Public Benefit Corporation serving San Bernardino County since 1965. CAPSBC works with our low-income communities by supporting, advocating for and empowering low-income residents to achieve self-reliance and economic stability. CAPSBC operates and administers weatherization programs in San Bernardino County. The U.S. Department of Energy's (DOE) Weatherization Assistance Program and LIHEAP Low Income Household Energy Assistance Program weatherization reduces energy costs for low-income households by increasing the energy efficiency of their homes, while ensuring their health and safety. The Program prioritizes services to the elderly, people with disabilities, and families with children. The Agency's professionally trained Weatherization crews use computerized energy audits and advanced diagnostic equipment to determine the most cost-effective measures appropriate for each home. Typical measures may include installing insulation; sealing ducts; tuning, repairing and or replacing heating and cooling systems; mitigating air infiltration; and reducing electric base load consumption. In addition, the program utilizes and adheres to the Department of Community Services and Development (CSD) Technical Reference Manual (TRM) for materials and warranty specification mandates.

C. MAJOR OBJECTIVES REQUEST FOR QUOTATION

The major objectives of the solicitation are to:

1. Identify suppliers and/or contractors that will be placed on the Agency's Approved Vendor List to provide Weatherization materials/services.
2. To ensure that all materials and/or services meet the Agency's specifications outlined in this solicitation.
3. To ensure that all materials and/or services are provided in the timeframe established by the Agency.

D. OVERSIGHT AND MANAGEMENT

1. Oversight

The oversight of the agreement will be facilitated by the EEES Program Director and the Procurement Coordinator. The term “agreement” is defined as the Request For Quotation (RFQ) Weatherization and Material Services including the “Category Quotation Sheets,” “Notice of Approved Vendor letter” and “Approved Vendor List”. Final review, tabulation and RFQ approval are subject to the CAPSBC Executive Management team.

2. Liaison

The Procurement Coordinator will serve as the (liaison) and contact point for the Bidder. The liaison will coordinate the services and serve as the communication link between the Agency and the Bidder.

E. PROCUREMENT SCHEDULE KEY DATES

1. Following are the *estimated* key dates in the schedule for this solicitation:

Request for Quotations (RFQ) Issued	March 13, 2024
Participant Q&A Webinar 2:00 PM	March 20, 2024
Modifications to RFQ If Applicable	March 22, 2024
Quotations Due in by 5 pm	April 10, 2024
Evaluations of Quotations	April 15-19, 2024
<u>Approved Vendors</u> Announcements	April 26, 2024
<u>Approved</u> Vendors Letters: Mailed	April 30, 2024

CAPSBC reserves the right to proceed under a modified version of this schedule if needed and / or applicable.

2. QUOTATION REQUIREMENTS

A. INQUIRIES

All inquiries concerning this Request for Quotations (RFQ) will be submitted in writing and addressed to:

Community Action Partnership of San Bernardino County
696 S. Tiptecanoe Avenue, San Bernardino, CA. 92408

Attn: Tim Kerns, EEES Procurement Coordinator

During the solicitation process, prospective Bidder shall contact only the individual named above. In no case shall oral communications take precedence over written communications. Only written communications shall be binding on the RFQ.

CAPSBC assumes no responsibility for representations concerning conditions made by its Officers or Staff prior to the execution of an agreement unless such representations are specifically incorporated into the RFQ by subsequent official written Addendum(s). Oral conversations pertaining to modifications or clarifications of the RFQ shall not be considered part of the RFQ unless confirmed in writing by official written Addendum(s).

B. PARTICIPANT Q & A WEBINAR

A Webinar for participants of the RFQ will be available on March 20, 2024 at 2:00 pm. The webinar will share what Community Action Partnership of San Bernardino County is about as well as the instructions / guidelines for the RFQ. The goal is to have your questions answered during this webinar. To register click follow the zoom link: [RFQ Q & A Webinar](#)

C. DATE, TIME AND PLACE TO SUBMIT QUOTATIONS

One copy labeled "RFQ Weatherization Materials and Services" shall be provided and addressed to:

**Community Action Partnership of San Bernardino County
Energy Education & Environmental Services Procurement
696 S. Tippecanoe Ave. San Bernardino, CA. 92408
Attn: Suzanne Parsons**

Quotations shall be accepted until **5:00 PM PST** on April 10, 2024
Quotations shall be accepted in person, by courier service, or the US Mail.
Faxed or emailed quotations will not be considered.

It is the sole responsibility of the prospective Participant to take notice of the date and time that quotations are due, and to ensure their submittals are received prior to the due date and time. ***Late quotations shall not be accepted.***

D. QUOTATIONS SUBMISSION

The CAPSBC Information/ Application Form (page12) must be current and on file with CAPSBC or submitted with your Quotation. The format example for quotations are specified on page 11. All information provided in response to this RFQ is subject to verification. Misleading and/or inaccurate information shall be grounds for disqualification at any stage in the procurement process.

E. DOCUMENT GUIDELINES

All supporting documents should be a legible and typed in 12-point font. All pages will need to be numbered and document content needs to follow the RFQ format.

1. Mailed, walk in Quotations
 - a. Company providing quote must provide one (1) bound copy of quotation and two (2) additional copies marked "copies" that are paper clipped.
 - b. Quotation delivery confirmation is recommended.
2. The quotation package *if mailed or hand delivered* must contain all required information, shall be SEALED, clearly labeled with the following information and delivered on or before the quotation due date/time to:

Community Action Partnership of San Bernardino
696 S. Tiptecanoe Ave.
San Bernardino, Ca. 92408
RFQ: Attention: Suzanne Parsons

Quotations Due Date/Time: April 10, 2024 before 5 pm.

3. Submission of signed RFQ Check List and Quotation Sheet(s) is acknowledgment and acceptance of all terms and conditions of the solicitation. CAPSBC reserves the right to reject any or all quotations.

F. MINIMUM PARTICIPANT QUALIFICATIONS

The Participant should be knowledgeable and experienced in the industry in which they hold a valid business license. The Participant should have a **minimum of 10 years** of industry experience.

G. INTEGRITY OF QUOTATIONS

By signing a quotation(s), the Participant affirms that they have not been given any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a CAPSBC member in connection with the submitted quotations. Failure to sign the quotations, or signing under false pretense shall void the submitted quotations or any resulting agreements and the participant shall be removed from all supplier/contractor lists.

H. QUOTE APPLICABILITY

Participants must conform to the terms, conditions, specifications and other requirements found with the text of the Specifications and Pricing Quotes. All previous agreements or other documents, which have been executed between the participant and CAPSBC are not applicable to this Request for Quotations or any resultant agreement.

I. LICENSES

Participants shall maintain in current status all Federal, state, and local licenses and permits required for the operation of business conducted by the participant.

J. PREFERENCES

Upon submitted certifications an evaluation preference will be given to each of the following:

- Minority Firms;
- Women Business Enterprises;
- Labor Surplus Area Firms; and
- Materials made in USA

K. ECONOMY OF PRESENTATION

Quotations must address the specific RFQ requirements. All items requested by the RFQ shall be answered clearly and concisely. Additional promotional

materials not responsive to a specific requirement shall not be included in the quotation response package.

L. COSTS FOR PREPARATION OF QUOTATIONS

No payments shall be made to cover costs incurred by any Participant in the preparation or submission of the quotations, nor any other associated costs.

M. RFQ MODIFICATIONS

CAPSBC shall prepare written modification(s) if needed. All modifications to this RFQ shall be prepared by CAPSBC and formally issued to all holders on record of RFQ documents. An Addendum shall be issued not later than the date specified in the schedule. A written addendum shall serve to amend the RFQ documents accordingly.

N. CERTIFICATION OF INDEPENDENT PRICE DETERMINATION

By submission of a response to this RFQ, the Participant certifies that in connection with this procurement:

1. Prices in the quotations have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any competitor.

Each person signing the quotations certifies either that:

2. He or she is the person in the Participant's organization responsible for the decision as to any prices being offered herein, and that he or she has not participated in, and shall not participate in, any action contrary to the requirements of this document.
3. He or she that is not the person in the Participant's organization responsible for the decision as to any prices being offered herein, but that he or she has been authorized to act as agent for the persons responsible for such decision. Furthermore, those persons have not participated in, and shall not participate in, any action contrary to the requirements of this document.

O. QUOTATIONS EVALUATION AND APPROVED VENDOR(S)

All quotations submitted shall be evaluated in accordance with CAPSBC criteria. At its option, CAPSBC may accept an RFQ quotations package as written by issuing an agreement that refers to this RFQ document and the RFQ response package as written. Because CAPSBC may use this option, the Participant shall include in their written RFQ response package, all requirements, terms or conditions it may have, and shall not assume an opportunity will exist to add such matters after the RFQ response package has been submitted.

P. MISCELLANEOUS

CAPSBC reserves the right to accept or reject any part of any quotations, and to accept or reject any or all quotations without penalty. CAPSBC reserves the right to waive minor deficiencies and informalities if, in the judgment of CAPSBC, the best interests of CAPSBC shall be served.

3. QUOTATION EVALUATIONS

A. EVALUATION PROCESS

CAPSBC will evaluate all submitted Quotations and will determine the best Participant(s). Quotations must meet all the mandatory criteria in order for the quotations to be evaluated. Quotations that are incomplete or contain significant inconsistencies or inaccuracies may be rejected by CAPSBC without further discussion.

The Scoring Factors on page 10 indicate the weight of the criteria to be submitted on your Quotation. Be sure to provide adequate information in all areas of your Quotation. The information provided will be independently evaluated on factors A, B, C and D.

RFQ SCORING CARD

4. QUOTATIONS

TRM specifications and quotation sheets are attached. There are several categories showing various *types of materials* where you may choose to quote. Each of the categories will consist of the following:

- 1) The types of materials in the category along with minimum standard requirements for the materials.
- 2) The list of items for each category. Please complete the columns on the *Quotation Sheet* for the materials you are quoting including information about your product and or services.
 - A) *Quotation Sheet Example* is included on page 11 for reference and explains details for each column of the material list as referred above.
 - B) There are ***required specifications*** for various materials throughout the categories. The *‘required specifications’* will exceed the minimal specifications, ***click the link to the CSD Technical Reference Manual on page 2 will assist you in locating the specifications requirements on selected items.***

COLUMN EXPLANATIONS

1. Column one displays the item number used by Community Action Partnership and are for reference only.
2. Column two shows the description of each item and includes the details of the packaging size and quantity.
3. Column three shows the **unit of measure** for the item as indicated in the description (Example: Screws, Philip head, #10 x 2 inch length 20 pack) the unit of measure is One 20 pack.
4. Column four is asking that the items meet certain specifications (at minimum). The specifications referenced in the CSD/TRM section are mandatory standards for the materials you are quoting.
5. Warranties are important and can increase the overall value of goods purchased. Column five will identify the items that must meet or exceed the warranty criteria as indicated in the CSD/TRM.
6. It is desired for you to quote medium to high grade materials. In column six you as a Bidder will want to indicate the model # of the item you are quoting as well as convey the brand of unit(s) or materials you will be supplying.
7. Column seven is for the cost of the material only. Do not include any other charges such as delivery, taxes, special order fees, etc. in the actual cost of your quoted materials.

RFQ CHECK LIST

Please review the list of items below and ensure the items are completed and included in your quotation packet. Check to make sure that you have properly addressed each of the requests and that you have responded accordingly.

- Complete Application Information Form (Page 12)
- Included Business and Insurance Certificates
- Overall written response to the Request for Quotations Completed
- Quote sheets that apply to your business and or product.
- Document that answers price sustainability time frame
- Outline of volume buying incentives
- Documents for shipping charges and timely deliveries
- Document that answers the term for payments inquiry
- Warranty coverage information included for the items you provide.
- Returns policy information regarding your goods and or services.
- Training program information details provided (if available)
- Certification / Proof for materials made in USA
- Certification for Minority and or Women Owned businesses.
- Debarment and Suspension.

Submission of above items:

Community Action Partnership of San Bernardino County desires to give each bidder the opportunity to express their ability to submit documentation of the list of requests shown above. Please submit these articles in the following format:

Certifications, licenses, required insurances and all other documents as listed above shall be scanned and submitted as a PDF document to complete the submission of your quotation.

- I have received the entire RFQ including the cover page and pages 1-59. In addition, I have received the link for **CSD TRM**

Signature of person(s) submitting quotation:

APPLIANCES

RANGES
COOKTOPS
MICROWAVES
REFRIGERATORS
WASH MACHINES

Quotes must include materials that meet UL and ANSI safety requirements and also meet the specifications as written in the **CSD Technical Reference Manual**. Since various types of materials are available be sure to check the type of building supplies you offer will meet the specifications desired as referenced in the **TRM**. Please insert the page number and identify the section for the specifications. See the sample here: *Page 21-7 section 9.2 for Gas ranges*. In general, appliances should be basic models, mid to high grade and white.

Quotes shall guarantee that the quoted materials meet the warranty requirements as indicated in the **CSD Technical Reference Manual**. As stated in the previous paragraph there are various types of materials available and should be checked if applicable, to ensure the materials will meet the **TRM Warranty Specifications** as referenced.

Complete columns 4-7 with information identifying the product you are quoting. Avoid entering information on inferior product lines.

As required under the **OSHA HAZARD COMMUNICATION STANDARD** 29 CFR 1910.1200, a **safety data sheet (SDS)** must precede or accompany the initial shipment of any hazardous material defined as such under the act. For items previously ordered. A SDS must also be supplied if the SDS has changed since the previous shipment.

When training is an option and available be sure to include the details of your training program with your quote.

DUCTING MATERIALS

DUCT BOARD
DUCT SEALANTS
FLEX DUCT
GRILLS
REGISTERS

KD PIPE
PLENUMS
SLEEVES
COLLARS

Quotes must include materials that meet UL and ANSI safety requirements and also meet the specifications as written in the **CSD Technical Reference Manual**. Since various types of materials are available be sure to check the type of building supplies you offer will meet the specifications desired as referenced in the **TRM**. Please insert the page number and identify the section for the specifications. See *Ducting on pages 20 - 23 section 8*.

Quotes shall guarantee that the quoted materials meet the warranty requirements as indicated in the **CSD Technical Reference Manual**. As stated in the previous paragraph there are various types of materials available and should be checked if applicable, to ensure the materials will meet the **TRM Warranty Specifications** as referenced.

Complete columns 4-7 with information identifying the product you are quoting. Avoid entering information on inferior product lines.

As required under the **OSHA HAZARD COMMUNICATION STANDARD 29 CFR 1910.1200**, a **safety data sheet (SDS)** must precede or accompany the initial shipment of any hazardous material defined as such under the act. For items previously ordered. A SDS must also be supplied if the SDS has changed since the previous shipment.

When training is an option and available be sure to include the details of your training program with your quote.

**INSULATIONS
SUPPLIES**

**BATTS / BAGS
BLANKETS
CELLULOSE
DUCT BOARD
ENCAPSULATED
FOAM TAPES**

**OUTLET GASKETS
SUPPORT RODS
SWITCH GASKETS**

Quotes must include materials that meet UL and ANSI safety requirements and also meet the specifications as written in the **CSD Technical Reference Manual**. Since various types of materials are available be sure to check the type of building supplies you offer will meet the specifications desired as referenced in the **TRM**. Please insert the page number and identify the section for the specifications. See *Wall, Floor, Attic Insulation: Pages 12-25 sections 38-40* .

Quotes shall guarantee that the quoted materials meet the warranty requirements as indicated in the **CSD Technical Reference Manual**. As stated in the previous paragraph there are various types of materials available and should be checked if applicable, to ensure the materials will meet the **TRM Warranty Specifications** as referenced.

Complete columns 4-7 with information identifying the product you are quoting. Avoid entering information on inferior product lines.

As required under the **OSHA HAZARD COMMUNICATION STANDARD** 29 CFR 1910.1200, a **safety data sheet (SDS)** must precede or accompany the initial shipment of any hazardous material defined as such under the act. For items previously ordered. A SDS must also be supplied if the SDS has changed since the previous shipment.

When training is an option and available be sure to include the details of your training program with your quote.

Since various types of materials are available be sure to check the type of building supplies you offer will meet the specifications desired as referenced in the **TRM**. Please insert the page number and identify the section for the specifications. *See applicable category.*

Quotes shall guarantee that the quoted materials meet the warranty requirements as indicated in the **CSD Technical Reference Manual**. As stated in the previous paragraph there are various types of materials available and should be checked if applicable, to ensure the materials will meet the **TRM Warranty Specifications** as referenced.

Complete columns 4-7 with information identifying the product you are quoting. Avoid entering information on inferior product lines.

As required under the **OSHA HAZARD COMMUNICATION STANDARD** 29 CFR 1910.1200, a **safety data sheet (SDS)** must precede or accompany the initial shipment of any hazardous material defined as such under the act. For items previously ordered. A SDS must also be supplied if the SDS has changed since the previous shipment.

When training is an option and available be sure to include the details of your training program with your quote.

BRUSHES

Quotes must include materials that meet UL and ANSI safety requirements and also meet the specifications as written in the **CSD Technical Reference Manual**. Since various types of materials are available be sure to check the type of building supplies you offer will meet the specifications desired as referenced in the **TRM**. Please insert the page number and identify the section for the specifications. *See applicable category.*

Quotes shall guarantee that the quoted materials meet the warranty requirements as indicated in the **CSD Technical Reference Manual**. As stated in the previous paragraph there are various types of materials available and should be checked if applicable, to ensure the materials will meet the **TRM Warranty Specifications** as referenced.

Complete columns 4-7 with information identifying the product you are quoting. Avoid entering information on inferior product lines.

As required under the **OSHA HAZARD COMMUNICATION STANDARD** 29 CFR 1910.1200, a **safety data sheet (SDS)** must precede or accompany the initial shipment of any hazardous material defined as such under the act. For items previously ordered. A SDS must also be supplied if the SDS has changed since the previous shipment.

When training is an option and available be sure to include the details of your training program with your quote.
