ENERGY SERVICE AGREEMENT FOR OCCUPANT

I understand that the Property Owner cannot raise the rent of the unit for a period of two years from the date of weatherization because of the increased value of the unit due solely to weatherization measures provided by the Contractor/Agency (allowable factors for rent increase include an actual increase in property taxes, actual cost of amortizing other improvements to the property accomplished after the date of work completed by the Contractor/Agency, or actual increases in expenses of maintaining and operating this property).
- 12. I acknowledge that I have been provided a copy of this Agreement explaining its terms effective for a two year period after weatherization services have been completed. Complaint Process: In the event the provisions of this Agreement related to increased rent or the landlord's failure to decrease utility costs for master metered units are not met, tenants may contact the Contractor/Agency to submit a verbal or written complaint, which will be investigated by the Department of Community Services and Development. Contractor/Agency contact information is located on this Agreement under the section entitled, "Contractor/Agency Assurance."
